

## Enabling Research in Care Homes Network

### 'ENRICH' Cymru North Wales Launch

**Thursday 13<sup>th</sup> September 2018, 10am to 4pm  
Conwy Business Centre**

'ENRICH Cymru', the Enabling Research in Care Homes Network, is co-hosted by the Centre for Ageing and Dementia Research and the Wales School for Social Care Research.

ENRICH Cymru aims to improve the lives of older people living in care homes across Wales by establishing a network of 'research ready' care homes and care home sector.

The ENRICH North Wales launch takes place on Thursday 13<sup>th</sup> September 2018, 10am to 4pm in the Conwy Business Centre. This event provides opportunities for:

- ✓ Networking
- ✓ Sharing good practice
- ✓ Exchanging research ideas
- ✓ Exploring new innovations in social care research through interactive discussions
- ✓ Building practice/academic collaborations

The event highlights the benefits of research in care homes, what it means to take part and how your home can get involved; hearing from both researchers and from care home staff who have taken part in research.

For further information and to book a place on this free event, please contact Gill Toms (g.toms@bangor.ac.uk) or phone on 01248 388463 by **31/08/2018**.

The event will be presented in English, however if you require a Welsh translator service this may be something we could offer subject to demand. Please state your preference when booking your place.
