Dementia Plan

Easy Read Questions

The 6 councils in North Wales and the health board are writing a plan about how to make services better for people living with dementia.

We want to know what you think should be in the dementia plan.

To have your say please answer the questions in this booklet.

Please send us your answers by Monday 19 August 2019.

About the plan

We think the plan should include the things below.

- How we will help people live healthy lives to reduce the risk of getting dementia.

- How we will help people understand how to include people who have dementia in their communities.

- How we can better spot the signs that someone may have dementia.

About the plan

- How we can make it better for people to find out if they have dementia.

- How we can help people to live as well as possible for as long as possible with dementia.

- How we can give the right support for people who live with dementia.
