Care and support services in North Wales

Easy Read questions

We want to know what **care and support** services people need in North Wales.

This is to help us get to know the people who live here and plan services for them all.

This work is being done by the 6 councils in North Wales and the health board.

To have your say please answer the questions in this booklet.

Please send us your answers by Friday 17 September 2021.

About care and support services

Care and support are things like

- support to live in your own home

- homes for people who need a lot of care and support

- care for children

We want to make sure people get the care and support to have happy, healthy and comfortable lives.
